MEMORANDUM

DATE: SEP 20 1991

SUBJECT: Review - Olin Corporation/McIntosh Plant
Superfund Site - Revised Sampling and Analysis Plan for
the Macroinvertebrate Study and Fish Sampling

FROM: Winston A. Smith, Director
Air, Pesticides and Toxics
Management Division

Winston A. Smith

TO: Donald J. Guinyard, Acting Director
Waste Management Division

The Air Toxics Unit has reviewed the Revised Sampling and Analysis Plan Macroinvertebrate Study and Fish Sampling for Olin Chemicals located in McIntosh, Alabama with respect to the air pathway.

The proposed sampling activities do not pose a potential threat to the air pathway. Therefore, the Air Toxics Unit has no comments on the plans for Macroinvertebrate Study and Fish Sampling.

If you have any questions or if we may be of further assistance, please contact Kimberly Bingham or Anthony Toney of my staff at x2864.
